The CFL Football season is set to kick off on Thursday, July 1st, Canada Day and the offshore sportsbooks have released their CFL OVER/UNDER season wins totals.

The defending champions, Montreal Alouettes are currently penciled in to win 13.5 games this season by the oddsmakers and it's going to be a tough number to beat, as 3 of their first 4 games are on the road vs. tough western opponents.

The Calgary Stampeders who finished 10-7-1 SU last season, will have to win 12 games for their OVER supporters, as the bookmakers have them winning 11.5 games this season. The Stamps have a favorable schedule out of the gates, but can they depend on Henry Burris to stay healthy all season long, as their back up QB situation has many question marks!

The Toronto Argonauts won 3 football games last season and their new head coach Jim Barker will be depending on ex-Jets QB Cleo Lemon's to lead his team this season, with Dalton Bell as his back up. The bookmakers have set the over/under season wins total at 4.5 and if there's one bright spot for the Argos heading into week 1, running back Corey Boyd rushed for 147 yards vs. the Alouettes in their final pre season game.

CFL BETTING LINES WEEK 1:

Thursday, July 01
 Montreal Alouettes -1.0
 Saskatchewan Roughriders 54.0

Toronto Argonauts 49.5
 Calgary Stampeders -14.0

Friday, July 02
 Hamilton Tigercats -1.5
 Winnipeg Blue Bombers 52.5

Sunday, July 04
 British Columbia Lions 55.0
 Edmonton Eskimos -4

RON'S CFL O/U SEASON TOTAL WINS PICKS**WINNIPEG BLUE BOMBERS OVER 8.5 WINS**

The Winnipeg Blue Bombers are changing the culture from top to bottom of their organization, as Joe Mack takes over the GM duties from Brendan Taman, while Paul LaPolice takes over the Head Coaching duties from Mike Kelly who was released in the off season. In fact, fans have reason to cheer for a positive change, gone are QB Michael Bishop and Stefan LeFors are gone and in comes Buck Pierce and Steven Jyles. As stated, the Bombers

have hired promising Head Coach Paul LaPolice who used to be the offensive coordinator of the Grey Cup Finalist Saskatchewan Roughriders and they've added Kavis Reed as their defensive coordinator.

Furthermore, LaPolice has always had his hand in the offense, so look for him to be a key asset to offensive coordinator Jamie Barresi. On the field, the team vastly improved at the Quarterback position by bringing in injury prone QB Buck Pierce and Steven Jyles. As long as Pierce can stay healthy, I see no reason why this Blue Bombers squad can't win 10 games this season. Play the OVER 8.5 wins.

SASKATCHEWAN ROUGHRIDERS UNDER 10.5 WINS:

The Saskatchewan Roughriders have seen their shelves get raided this offseason, as many changes have taken place since the Roughriders lost in the Grey Cup to Montreal last November. Gone are the anchors on defence John Chick and Stevie Baggs. Furthermore, they lost their offensive coordinator Paul LaPolice to the Winnipeg Blue Bombers and replaced him with Doug Berry. Furthermore, the Roughriders are going to live by the sword with one experienced QB in Darian Durant, because should he get injured, they don't have Steven Jyles to lean on, he's gone to the Blue Bombers!

Furthermore, there's a big question mark on offensive coordinator Doug Berry who took over the offensive reigns from Paul LaPolice. The two biggest question marks I'm going to put on the Roughriders at the beginning of the season will be on their defence and should QB Darian Durant get hurt, will Ryan Dinwiddie or Cole Berquist be able to adjust to the CFL game? I feel the Roughriders will have an 8-10 season. Play the UNDER 10.5 wins.

RON RAYMOND'S CFL PICKS WEEK

**Montreal (-1.0) vs. Saskatchewan (54.0)**Thursday, July 1st, 2010

Game time : 7 : 00 PM

**RON'S PICK: UNDER 54.0 (2*)****Forecast:** Montreal 31 Saskatchewan 20

Keys to selection: The CFL is kicking off the 2010 Campaign with a CFL Grey Cup rematch in Week 1 and it's going to be a tough venue for the Alouettes, as the fans at Mosaic Stadium are always loud for Rider games. The Roughriders lost some key people on defense, but defensive coordinator Gary Etcheverry has seen enough of the Montreal Alouettes the last few years, he will make the right adjustment this week vs. Montreal. The Alouettes are pretty much the same team and since both of these two teams played against each other in their last regular season game, game films and notes are pretty much the same for this game. The total came out at 54.0 and I look for it to come down a bit prior to game time. The Montreal Alouettes are a perfect 7-0 SU on the road during week 1 and the UNDER is 5-2-0 in those games. Plus, when ANY CFL team played as home team as an Underdog - During Week 1 - Before a division game; The UNDER is 9-2-0 for the Home Dog since 1996. The Roughriders have the Lions on deck next week.

ATS Points spread Stat of the Game: When ANY CFL teams played as Road Team as a Favorite - During Week 1, the UNDER is 14-5-0 for the ROAD FAVE in this spot.

RON RAYMOND'S CFL PICKS WEEK 1

Toronto (50.5) vs. Calgary (-14.0)

Thursday, July 1st, 2010

Game time : 10 : 00 PM

RON'S PICK: TORONTO +13.5 (2*)

Forecast: Calgary 23 Toronto 17

Keys to selection: The Toronto Argonauts are in the perfect point spread position for Game 1 of the CFL Football season. Let's face it, nobody is expecting the 3-15 Argonauts to be any good out of the gate and the bookmaker is anticipating bettors will be pounding the Stamps, why else are they trying to scare us as making Calgary a -14.0 point favorite?

I love this line, the Argos have made the right moves in the offseason, they brought in some CFL experience in their coaching staff, they've shored up their offensive line and they have 2 QB who have great potential and are coming from the NFL system. Plus, the way Cory Boyd ran against Montreal, tells me they will most likely have a 55/45 balance with the run and pass and if they can eat the clock with a lot of running that will favor the road dogs. Calgary is Calgary, they have Henry Burris and Jofferey Reynolds who will put up their numbers on offense, but keep in mind, they lost their kicker Sandro DeAngelis this offseason to Hamilton, so that might be an issue with their special teams.

In my view, this is nothing but the Sportsbooks trying to put a scare in Stampeders backers and it's too many points to spot in Week 1 against anybody.

ATS Points spread Stat of the Game: When ANY CFL team played as a +10 or more Road Underdog - Total is between 49.5 to 51 and it's during Week 1 to Week 4; the ROAD UNDERDOG

RON RAYMOND'S CFL PICKS WEEK 1

Hamilton (-1.5) vs. Winnipeg (52.5)

Friday July 2nd, 2010

Game time : 8 : 00 PM

RON'S PICK: WINNIPEG + 1.5
(5* GAME OF THE WEEK)

Forecast: Winnipeg 27 Hamilton 19

Keys to selection: The Hamilton Tiger Cats are no doubt an up and coming football team who have high goals for the 2010 season. However, the Winnipeg Blue Bombers have cleaned house from top to bottom and the incoming staff looks promising. The Bombers will have a new look on offense with Paul LaPolice as their head coach and I'm pretty sure he will be a hand on coach when it comes to helping out the offensive coordinators. As for the QB position, big time upgrade with Buck Pierce and Steven Jyles, and as long as both can stay healthy, the Bombers will turn some heads. Giving the Blue Bombers some points at home in week 1 vs. the Tiger Cats is more about the old regime and the Bombers are the ones who should be the favorites here vs. the Tabbies. Play on Winnipeg +1.5.

ATS Pointsread Stat of the Game: When ANY CFL teams played as Home team as an Underdog - Before playing Toronto and the total is between 51.5 to 54; The Home Underdog is 10-4 SU and ATS in this role since 1996.

RON RAYMOND'S CFL PICKS WEEK 1

**BC (55) vs. Edmonton (-4.0)**

Sunday, July 4th, 2010

Game time : 7 : 00 PM

**RON'S PICK: BC LIONS +4.0 (2*)****Forecast:** Edmonton 31 BC Lions 28

Keys to selection: The Edmonton Eskimos are the favorites in this matchup, but they have a huge game on deck vs. the Alouettes next weekend and I'm sure there's a bit of a look a head situation here for the Eskimos. Although I like the Eskimos to win a nail bitter in this one, look for the Lions to keep it close and the books are putting too many points on the board for Edmonton to cover.

ATS Pointsread Stat of the Game:

(EDM) when ANY CFL team played as a -3.5 to -6.5 Home Favorite - Total is 54.5 or more and it's between Week 1 to 4; the Home Favorite is 0-5 ATS in this situation since 1996.

(BC Lions) When ANY CFL team played as Road team as an Underdog - During Week 1 to 4 - Before playing Saskatchewan; The Road Underdog is 12-5-0 ATS in this situation since 1996.
